VOL.01

Looking beyond the horizon Crafting a memorable sky journey

Due to the impact of the COVID-19 pandemic, international travel has been restricted and private spaces have become more important. Private jet travel, which was previously in low demand, is now gaining attention as a means for business and tourism. As a popular destination for business and tourism, and a transit point for long-haul flights, Japan receives a large number of private jets on an irregular basis. With multilingual staff available, ATG (All Time Ground Service) provides safe and reliable "ALL TIME" ground service that meets our clients' needs 24/7.

Values and trends are constantly evolving, we strive to provide our clients with the best memories at Japan's gateway airports. At ATG, we are always looking ahead and committed to providing our clients with the best air travel experience possible.

新冠疫情的影响，让国际旅行受到限制，隐私空间变得更加重要。而之前需求不高的私人飞机旅行，现在则成为商务和旅游的新宠。作为商务和旅游的热门目的地，同时也是长途飞行的中转站，日本不定期接待大量的私人飞机。在这一背景下，拥有多语言人才的全日行 (All Time Ground Service)，为所有飞抵日本的公务机提供安全可靠、全天候的“ALL TIME”地面保障及相关服务。

随着时代的变迁，价值观的多元化，我们的目标是为在日本机场使用我们服务的客户提供最美好的回忆。我们始终着眼未来，致力于为客户提供最佳的空中旅行体验。
